

## **Dear Binsted Church Attendee**

You are welcome in this place of worship but please don't enter if you have symptoms of Covid 19 which are like the common cold – runny nose, sore throat, cough, fever etc

- Masks are now voluntary but are recommended by the government in crowded spaces or when in close contact with someone.
- It is safer to gather outside the building before or after an event or service.
- Sanitise your hands especially before handling food.
- Use a hanky or elbow to cover coughs and sneezes
- Take your newssheet or programme home & dispose of it.

Many thanks

Rev Tim Ward, Rector
